

Court Booking User Guide

All members are put on our online court booking system called MYCOURTS® when you join the Club.

Logging into mycourts

All courts are bookable on the Mycourts® booking system. You can log into your account via the following link:

<http://thewimbledonclub.mycourts.co.uk> and log in using your username and password.

Adding credit to your booking account

Every member has a personal booking account which holds credit for the purpose of making an indoor booking or paying a guest fee. Your balance is shown on the left of the screen after you log in. Bookings may only be made if enough credit exists in your account to cover the booking fee.

Please add credit by paying online using a debit/credit card.

Paying Online

Log in and choose the “Buy Credit Online” option and follow the instructions. You can choose the amount of credit you wish to add in a single transaction.

Making a court booking

Select the day you wish to make a booking from the ‘Booking Sheets’ menu. Members may book grass courts online from 10am on the same day, and non-grass courts online from 10pm up to 8 days in advance for full members and 4 days in advanced for off peak or junior members.

Select the court and time(s) you wish to book and confirm the booking.

PLEASE NOTE: All members must nominate their playing partners before play commences. This is an LTA and government requirement. Failure to do so may result in your booking rights being removed.

Guest fees

An adult (full, off-peak, U30 and student) member may invite guests on up to 12 occasions per year.

On each occasion, the member may invite up to 3 guests. No guest may be introduced more than 12 times per year.

Members must pay for their guest fees at the time of booking by selecting the appropriate guest fee from the drop-down menu when selecting their playing partners. If a member is bringing 3 guests, then 3 guest fees must be paid as playing partner 1, 2 and 3. Guest fees stated are per visit per guest.

PLEASE NOTE: Members only need to select their guest fee(s) **for the first 30 minutes** of their booking. To ensure you are not over charged, please UNTICK the box that automatically adds your playing partner into each 30-minute slot of your booking.

Court	Peak Guest Fee (6pm-10pm Mon-Fri) (7am-6pm Sat/Sun)	Off Peak Guest Fee (7am-6pm Mon-Fri) (6pm-10pm Sat/Sun)
Grass	£20	£10

Outdoor	£10	£6

Checking in

[Members can check in via a GPS check in function using their mobile phone. To check in using the GPS check in function, members must have location services enabled on their phone. Once on site, simply by logging into the mycourts app on your mobile phone, you will be automatically checked in. Members or their playing partners may check in up to 2 hours before and 15 minutes after their booking start time. If you do not check in within this period an email reminding you of your obligation to check in will be automatically sent.]

If you are not playing within 15 minutes of your booking start time, you forfeit your booking rights and another member is entitled to use the court for the duration of your booking.

Booking cancellations and refunds

As a courtesy to other members, all members must cancel a court as soon as possible so that the court may be booked by others.

To cancel a court, log in and select “My Bookings”. Your booking fee is automatically refunded as credit in your account when cancelling at least 48 hours prior to your booking.

If you cancel a court less than 48 hours prior to the booking, the booking fee is only refunded if the court is subsequently booked by another member.

Personalising your account

Log in and select “My bookings”, “My Settings” and “My Profile” tabs to personalise your booking account.

My Bookings contains all your bookings, including those made by other members who have selected you as an “opponent”. Useful features include: click on the envelope to send an email message to an opponent for a booking; click on an opponent’s name to view their contact details; click “cancel” to cancel a booking.

Matches

Court bookings for all representative club matches, including adult and junior teams and singles matches where opponents travel from an external club, take priority over all other court bookings.

Court bookings for Club Championships must be booked by competitors who may book consecutive slots to ensure completion of their game within their booking time.

All representative club matches must be booked by the Administrator.

In exceptional circumstances, where matches run over their allocated booking slot, inconvenienced members will be fully refunded and their next booking provided free of charge.

Club bookings

From time to time the club may book tennis courts for multi-sport functions and events. The tennis committee works closely with the general committee to ensure these events are in the best interests of the club and the benefit to the tennis section outweighs any inconvenience to tennis members.

Court 8 is a multi-purpose sports hall and this facility is shared equally between the Club's tennis, cricket and hockey sections.

External bookings

The club occasionally receives external requests for court bookings. Each request is considered by the tennis committee on a case-by-case basis. External bookings are only approved if they provide a clear benefit to the club and tennis section at minimal inconvenience to tennis members.
